

WBI Energy Transmission, Inc.
IBR Supported Price Indices
Posted November 1, 2010

WBI Transmission supports, pursuant to NAESB Standard 5.3.65, the following index references for Index-Based Capacity Release (IBR) Transactions. Following each reference is the applicable abbreviation WBI Transmission will use on its Interactive Website for IBR Transactions.

Gas Daily (GD) – Midpoint (MP)

CIG, Rockies (CIG)

Northern, Ventura (NNG-Vent)

Inside FERC (IF) – First of the Month (FOM)

Colorado Interstate Gas Co., Rockies (CIG)

Northern Natural Gas Co. , Ventura, Iowa (NNG-Vent)

Subscription Duration

Gas Daily and Inside FERC are both referenced in WBI Transmission's FERC Gas Tariff, and as such, the WBI Transmission subscription will be renewed on an on-going basis.

Should Service Requesters holding capacity on WBI Transmission's system request additional price indices to be supported, such Service Requester's should contact WBI Transmission's Marketing Department.
